SCHEDULING ORDER

THIS DAY there came before the Mississippi Public Service Commission (“Commission”) the matter of the adoption of a Scheduling Order related to the above-styled Docket. The Commission finds that the adoption of a Scheduling Order pursuant to RP 6.132 of the Commission’s Public Utilities Rules of Practice and Procedure is appropriate.

The Commission further finds that while two parties have intervened in this Docket, there has been no Prefiled Testimony submitted nor has there been any Data Request exchanged between the parties, excluding the Mississippi Public Utilities Staff. Because of the time-sensitive nature of this proceedings, the Commission finds that the issuance of this Scheduling Order will result in the timely, efficient administration of this proceeding, and is in the best interest of the public and all interested parties of record.

IT IS, THEREFORE, ORDERED as follows:

1. Proposed Order: Mississippi Power Company shall file in this Docket a Proposed Order granting the relief sought in its Petition for Facility Certificate within **10** **days** of the issuance of this Scheduling Order.

2. Comments on the Proposed Order: Parties shall file in this Docket Comments on the Proposed Order within 7 days of the filing of the Proposed Order.
3. Consideration of this Docket: The Commission intends to take this matter up at a Special Meeting in late October.

IT IS, THEREFORE, ORDERED that the procedural schedule set forth above is hereby adopted as the procedural schedule for Docket No. 2019-UA-116.

SO ORDERED, this the 13th day of September, 2019.
